

TLT LLC has partnered with the Grayson-Jockey Club Research Foundation to offer this calendar with a significant portion of the proceeds supporting equine research.**

This 20-month (May 2013 - December 2014) collector's edition calendar features photographs of Secretariat taken by legendary equine photographer Tony Leonard. Each calendar month presents a stunning full-page photograph of Secretariat, celebrating the 40th anniversary of the champion's historic achievements. The 14" x 11" calendar has a high gloss finish on images and includes article on Secretariat from Eclipse Award winning author Edward L. Bowen and another on Tony Leonard from owner of Dogwood Stable, Cot Campbell. In addition to some of the iconic photos taken by Tony Leonard, the calendar also features never-before seen photographs from his private collection, a complete timeline of Secretariats' career and a full list of his past performances.
