Research Day Program at Kentucky Downs Attracts Full Slate of Race Sponsors

Grayson-Jockey Club Research Foundation has announced that all seven available races at Kentucky Downs on Sept. 3 have received sponsors. Under a program offered by Kentucky Downs president Corey Johnsen, Grayson solicited payments to sponsor the \$350,000 Ladies Turf Stake, the \$350,000 Kentucky Downs Juvenile Stake and five overnight races on that day's card.

The \$350,000 Ladies Turf Stakes is presented by Zimmer Biomet and the \$350,000 Kentucky Downs Juvenile Stakes is presented by Rood and Riddle Equine Hospital.

Other race sponsors for the special Grayson Day are: Breeders' Cup, Equibase, Great American Insurance, Hagyard Medical Institute, Kitten's Joy (Ramsey's Farm).

Sponsors will be hosted at Kentucky Downs on Sept. 3 and will present trophies after each of their races.
