

Projects Funded In Texas

Baylor College of Medicine

2020 Passive Immunization Of Foals With RNA-AB Against R Equi- Part 1

2021 Passive Immunization Of Foals With RNA-AB Against R Equi- Part 2

Texas A & M University

1999 Myometrial CA2+ Signaling In Mares With Persistent Endometritis

2001 Semen Lipid Analysis In Stallions With Unexplained Subfertility

2001 Mares With Delayed Uterine Clearance: Is Nitric Acid Involved?

2004 Are Mares A Source Of Rhodococcus Equi For Their Foals?

2005 Gallium Therapy To Control Rhodococcus Equi Pneumonia

2006 Role Of Y-Chromosome Factors In Regulating Stallion Fertility

2007 Control Of Rhodococcus Equi Pneumonia Using Gallium

2013 Gallium: An Alternative To Macrolides Against R Equi?

2014 R Equi Pneumonia: Can A Novel Vaccine Protect Foals?

2015 A Guinea Pig Model Of Rhodococcus Equi Pneumonia

2016 Host-Directed Control Of R Equi Foal Pneumonia Part 1

2016 A Novel Vaccine Against Equine Strangles

2017 R Equi Pneumonia: Does The Magnitude Of Airborne Exposure Predict Disease Development?

2018 Host-Directed Control Of R Equi Foal Pneumonia Part 2

2019 Non-Invasive Evaluation Of Host-Microbiota Interactions

2020 Anti-Pnag Plasma For Preventing R Equi Foal Pneumonia

2021 Developing An Improved Serological Test For Strangles

2022 Immunogenicity In Foals Of An Mrna Vaccine For R. Equi

2022 Trained Immunity In Foals

- 2022 Novel Strangles Vaccine Using Cd40-Targeted Delivery
- 2022 Does Antibiotic Treatment Change The Microbial Resistome
- 2023 A VapA mRNA Vaccine For R. equi Pneumonia
- 2023 Genomics Of Thoroughbred Stallion Subfertility
- 2024 Novel Protein Targets For R. equi Serology And Vaccines
- 2024 Role Of C1q In Rhodococcal Infection
- 2025 Improving A VapA mRNA Vaccine for R. equi In Foals
